PREAMBLE:

The Students' Union has a loading zone adjacent to the Students' Union Building as per the Lease Agreement with Vancouver Island University. Under the terms of the Lease, the loading zone has a 15 minute limit; however, longer parking in the loading zone was normalized over time due to parking pressures on the Nanaimo campus. The following policy will establish a balanced approach to governing the flow of traffic in the loading zone and applying a regulation that establishes fair access to short-term parking.

STATEMENT:

Parking in the Students' Union Loading Zone shall be limited to a maximum of two-hours between 8am and 5pm, Monday Through Wednesday, and shall be limited to a maximum of two vehicles at all times. For special events and service calls, a pass may be issued for parking that exceeds to two-hour maximum.
